[1] Corner lots on public streets have front setback lines along each street. The remaining two sides represent side setbacks (Sec. 8.1.3).

[2] Residential garages which are front-loading (directly facing a street) shall have a minimum 40 foot front setback, not applicable to the dwelling (Sec. 11.2.2).

[3] For attached dwelling units, this requirement only applies to the outside walls (Sec. 8.1.3).

[4] Accessory towers, agricultural storage structures, windmills, and similar agricultural structures shall be permitted to exceed the maximum height if approved by the Mayor (Sec. 8.4.1; 11.8.3).

[5] Lot dimensions may be reduced up to 20 feet (to a minimum of 40 feet wide), under special circumstances with Board Approval (Chapter 7, Part 8).

[6] Commercial buildings with parking in front of the building shall have a minimum 75 foot front setback (Sec. 8.1.3).
